# Announcement ❖❖

TO MEMBERS  
OF THE  
MICHIGAN  
STATE MEDICAL SOCIETY

The Thirty-Fourth Annual Meeting of the  
Michigan State Medical Society will be held,  
as officially announced, at Kalamazoo,

**Thursday and Friday,  
May 4 and 5, 1899.**

The Kalamazoo Academy of Medicine are  
making elaborate preparations to entertain  
visiting members and their ladies. We hope  
you may attend and bring with you as many  
of your professional friends as can be  
induced to accompany you.

We anticipate a full attendance and a  
most interesting session.

Chairman  
Executive Committee,  
M. S. M. S.

THE KALAMAZOO ACADEMY OF MEDICINE  
TO THE MICHIGAN STATE MEDICAL SOCIETY

❖ Greeting ❖

It is a pleasure to be able to entertain the Physicians of this Society. Kalamazoo has always been one of the beautiful thriving centres of Michigan. In its galaxy of eminent men we find the names of Dr. H. O. Hitchcock, Dr. Foster Pratt and Dr. Wm. Mottram, all former members of this Society.

The memory of these men is an inspiration to us to continue the good work they began. It was by their efforts that a broad foundation was laid for the Kalamazoo Academy of Medicine, one of the most successful Medical Societies in the country. These foundations were laid on the principles of Good Fellowship, Harmony and United Effort. These we would propose for the continued motto of the Michigan State Medical Society, and with these principles firmly in mind, we cordially bid welcome to the medical men of Michigan, and we assure you that nothing will be left undone to make your stay with us both pleasant and profitable.

C. VAN ZWALUWENBURG, President.

A. J. LAKE, Secretary.

## Our Fluid Department ❖ ❖

We wish to call attention  
to our  
general line of

We have given  
much study to this line  
and have brought it to a  
high standard of excellence.

Only the latest approved methods of manufacture are used and the most careful test applied to each individual drug, assuring a finished product of greatest efficacy. We are gratified to find that where these fluids have been most thoroughly tried, their sale has been largest.

Fluid Extracts,  
Elixirs,  
Syrups,  
Medicinal Wines,  
Cordials, etc.

and respectfully commend  
the goods to the  
careful consideration  
of the  
medical profession.

## Our Pills and Granules

are so well known, it seems  
hardly necessary to make special mention of them here, but we would be pleased to have you ask for our 1899 Catalogue—it shows numerous additions to the Pill list and also gives our complete line of Fluids. When you wish our goods dispensed, please specify "UPJOHN" when prescribing or when ordering for your office use.

Very respectfully,

The Upjohn **PILL & GRANULE CO.**

## The Kalamazoo ❖ Academy of Medicine

have permanent rooms in the Public Library building, and the illustrations herein give a few views of the cosy nooks where the members of the Academy meet and peruse valuable periodicals, and hold their bi-monthly meetings. The Public Library Building is the munificent gift to the city of Kalamazoo from Dr. and Mrs. E. H. Van Deusen.

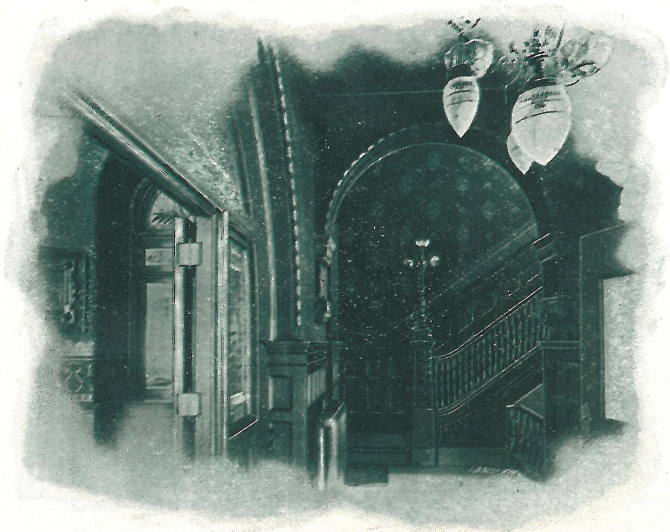

One of the provisions made by the donors was that a part of the building should be set apart for the exclusive use of the Kalamazoo Academy of Medicine. Rooms selected and appropriately furnished are on the second floor, and were designed by the donor, who aided in organizing the Academy of Medicine and is now one of its honored members, and has been its constant librarian since the home of the association was completed.

Dr. Collins B. Johnston,  
 Sec'y Michigan State Medical Society,  
 Grand Rapids, Mich.

Dear Doctor:

*The Michigan Asylum for the Insane, the oldest institution of its kind in the state, is located within the city limits of Kalamazoo and will be open informally for visits from the members of the State Medical Society during both days of the meeting to be held in May. There are more than 1,300 patients at present under treatment in the Asylum and among these is a number of interesting cases of mental disease. The Asylum physicians will take pleasure in showing the members of the society about the institution, so far as they are able, at any time during the meeting that may be most convenient. Street cars running within a block of the place of meeting in town will carry passengers to and from the Asylum. The "Colony Farm," where 260 of the quieter, chronic patients are cared for is two miles and a half away from the parent institution and can be reached by a pleasant carriage drive by any of the members who may desire to visit it.*

I am, Very truly yours,

Wm. M. Edwards,  
 Medical Superintendent.

Friday, 2 P. M.

Agreeable to the above, arrangements have been made for a general visit to the State Asylum on Friday afternoon.

## The One Hoss Shay.

The deacon's masterpiece was the finest product of the carriage builders art. It represented all that could be done in producing a high class vehicle in that day—

"Seventeen hundred and fifty-five,  
Georgius Secundus was then alive."

But progress is everywhere the watchword and to-day as we are rolled along in a strictly "up to date" carriage, we would no doubt look with scorn on "The One Hoss Shay."

TO-MORROW the wave of progress may roll on, but TO-DAY we feel confident that the vehicle shown elsewhere by the Kalamazoo Wagon Co. is one that would make glad the heart of the most fastidious, and the reputation of this firm warrants us in recommending it to our professional friends.
